

## Motorcycles Race On

Jesse's dreams of motocross glory begin to take shape when he receives his first motorcycle upon his eighth birthday. Much to his delight and astonishment, he soon learns that the family business along with the tutelage of his racing hero, Braxton Olson may catapult him to the exhilarating thrills that he seeks in the circuits. Along the way, though, Jesse must learn the importance of sportsmanship, the emphasis on safety in his beloved sport, and how to overcome tragedy. In *Motorcycles Race On*, Rasmussen encourages his readers young and old alike to reacquire themselves with their dreams and passions. Realizing dreams, however, requires hard work, sweat, some exhausting days, and the occasional tearful moments. Through the inspiring journey of young Jesse Thompkins, Rasmussen hopes you may find your own hero, follow your dreams, and become someone else's hero.
