

Here’s to weird animals! Here’s to the axolotls, the jerboas, and the yapoks! Ooh Odd Zoo is a delightful, irreverent ABC book about the oddballs of the animal kingdom. Come meet marsupials who have electrical noses (it’s true), rodents who parachute from the sky (probably not true), and fish who drive cars (definitely not true). There’s a story for every letter of the alphabet, even X. Meet animals who sing a lot, animals who headbutt a lot, and a larva who just wants to be loved a little. Discover creatures big and small, fearsome and friendly, ugly and cute, hairy and naked. And maybe find out something about the oddest animal of them all — us. Seek my friends and you shall find, a beauty in the undefined. Welcome to the zoo!
