

## Pablo Picasso (Lives of the Artists)

This new series uncovers the life and times of some of the most important and influential artists of the modern world. Each title focuses on one artist, exploring their life and work in the context of world events. Each book features large reproductions of the artists work from their first drawing to their final masterpiece. The books also include selected works from other artists and colour and black and white photographs and illustrations which help to bring the artists world to life.
