

Bunny Day: Telling Time from Breakfast to Bedtime

Spend the day with a lovable bunny family from eight o'clock in the morning, when Father Rabbit wakes up his little bunnies, to eight o'clock at night, when Mother Rabbit tucks them into bed. Every hour bunnies are busy doing something new: at eleven it's chore time, at one they play, and at seven story time begins. The team that created *So Many Bunnies* and *One More Bunny* make telling time fun. Rick Walton's jaunty text and Paige Miglio's warm, detailed illustrations of bunny family life will be a favorite all day long!
