Splash: Plunge, flap, hop, splash! Discover fun facts about water-loving animals.

This book is packed full of pictures of water-loving animals splashing, preening, flapping and paddling. Each photograph is accompanied by fun facts about the animal and how they use water, be it for fun, to clean or to find food. Organised by four distinct water sources - ocean, watering-hole, river and pond - children will learn where their favourite animals live and discover more about their behaviour. Stunning photographs and easy-to-read text make this book perfect for young readers.
