

Postcards From The Snowman and the Snowdog

Raymond Briggs classic book *The Snowman* has captivated generations of children and their parents with its beautiful and delicate pencil illustrations. Transformed into a successful animation, the magical story has become a highlight of Christmas year after year. And now, in a film commissioned to celebrate thirty years of the original animation, the Snowman flies again - along with an adorable puppy friend. Employing many of the same artists, and artistic methods, *The Snowman and the Snowdog* has been hailed as a touching and beautiful sequel. This beautiful postcard set brings together for the first time the incredible illustrations from Raymond's original book with stunning artwork from the new film.
