

Princess Rosies Rainbows

What is it that makes you happy? For little Princess Rosie, it was rainbows. Being a Princess, she could have anything she wanted. Toys, games, books. But she didn't want any of those things. Possessions didn't matter to her. Only rainbows could make her smile. I wish I could have a rainbow all the time, Princess Rosie often sighed. Her parents, the King and Queen, tried everything they could think of to give Princess Rosie a rainbow, but with no success. Would the young Princess ever be happy? Maybe Becca, the wise old woman from the farthest village, could hold the secret to making Rosie smile? *Princess Rosie's Rainbows* is a stunningly illustrated new fairytale that offers young readers the precious lesson that true happiness doesn't come from outward possessions, but from deep within us.
