

# Pumpkins

From late summer to Thanksgiving, pumpkins are everywhere, a symbol of fall and a reminder of the holidays to come. In this handsome book, Ken Robbins widely known for his sumptuous photo-essays on subjects ranging from trucks to tools to autumn leaves portrays the pumpkin from seed, to sprout, to flower, to fully fledged fruit, and back again. Instructions are given to (safely) carve a jack-o-lantern. As always in a book by Ken Robbins, a simple but never simplistic text is accompanied by luscious photographs.

Pumpkin plant Get expert RHS advice on growing and harvesting pumpkins and eliminating possible pests and diseases. Learn whether pumpkins are gourds or squash and why they're actually a fruit and not a vegetable. Plus, learn about the health benefits.
