

# Tractors, Tractors and More Tractors

A great book for 3-6 year olds obsessed about tractors, tractors and more tractors. Rufus T Bear takes the reader on a narrated journey / tractor spotting. The book includes photographs of many many tractors doing all sorts of jobs, also includes old tractors. Eric and Rufus Childrens Books strive to encourage children to explore the real world via the use of books. We seek to encourage outdoor exploration and learning by linking things they see and hear in books with things they can experience in real life.
