Love has nothing to do with what you are expecting to get--only with what you are expecting to give--which is everything -- Katherine Hepburn An Intimate Portrait of Film's Legendary Lovers--On Screen and Off During their twenty-six years together, Katherine Hepburn and Spencer Tracy mesmerized movie audiences worldwide with their famous on-screen chemistry like no other couple. Yet their private love affair--which ended only with Tracy's death in 1967--remained shrouded in secrecy. Now, international best-selling author Christopher Andersen draws on his own extensive conversations with the immortal Hepburn as well as others who knew the legendary duo intimately to tell the poignant yet often heartbreaking love story of these beloved American icons and the life they shared. Revealing the strength, wit and dignity that characterized this historic partnership, Andersen offers a captivating portrait of a great American romance.
