

Shitake is a frog who sings when he feels lonely. His family asked him to leave their home because he looked different from the rest of them. He was black with white racing stripes all over his body. Bella is a beautiful butterfly. Her family and the rest of the colony made fun of her because she had an extra long antenna. She left home because she felt lonely and didn't have any friends. When Bella met Shitake, she thought he was very nice and a good listener. She also discovered that he had the most beautiful singing voice in all the forest.
