

# My First Camping Book: 35 Easy and Fun Camping Activities for Children Aged 7 Years +

Start with Getting Ready to Camp and plan everything you need to take with you, and why not make a camp diary before you go so you can record every camping trip? Once you arrive at your campsite, you will find out how to identify a good place to camp, how to put up your tent and the best way to store your food. Once you've pitched your tent, learn how to make a campfire (with the help of an adult!) - the recipes in Campsite Cooking are full of fun treats such as hot dogs, smores and fire-baked apples. You'll never get bored with Camping Activities, which has tips on how to climb trees safely, instructions on how to make a sundial and insider knowledge on animal tracking. In When the Sun Goes Down, you will learn how to become an expert in shadow-puppets, how to identify different stars and constellations, and there are tips on how to tell a really scary ghost story. So roll up your sleeping bag, don't forget your binoculars and start planning your next camping trip!
