

The Law of Respect: Students Guide

Whether you are a follower who is just beginning to discover the impact of leadership or a natural leader who already has followers, you can learn to be a better leader. The 21 Irrefutable Laws of Leadership distills Dr. John C. Maxwell's insights from more than thirty years of personal experience. Each law of leadership is like a tool to help you achieve your dreams and add value to the lives of other people. In *The Law of Respect*, you will learn why: Leaders go their own way when a group first comes together. People change direction to follow the strongest leaders. People naturally align themselves and follow leaders stronger than themselves. Major change tests respect for a leader. Each lesson also provides a real-life example, and tools for personal assessment and application.
