

Esther Friesners fanbase is growing. Readers who love girl-centric teen fantasy/adventure are happily following her from ancient Greece to ancient Egypt and beyond. Overnight, every aspect of Nefertitis life has changed. She is no longer living at the royal palace as the intended bride of the crown prince. Instead, she is being chased by the princes soldiers for a crime she did not commit. Traveling with two of her dearest friends, including the crown princes brother, Nefertiti takes shelter in the wild hills along the Niles west bank. But she is determined to plead her case and set things right. As she begins to question long-held sacred beliefs—a questioning that could alter the fabric of Egyptian society—her extraordinary journey from commoner to royalty brings adventure, intrigue, and romance.
