

The Birthday Presents

Rabbit and Hedgehog have been best friends for a very long time, but they never celebrated their birthdays. In fact, they aren't quite sure when their birthdays are. So Hedgehog suggests they celebrate their birthdays together-- the very next day. But they might not be tomorrow, Rabbit worries. But they might be, Hedgehog replies. It would be a shame to miss them if they are. Having solved the first problem, the two friends face another challenge: What's the best present to give your best friend-- especially when he is very different from you? In this charming sequel to *A Little Bit of Winter*, Rabbit and Hedgehog discover that when it comes to birthday presents, friendship is the best gift of all.
