

Who Wants to Be Me?

Regis Philbin seems to have it all. He's the host of *Who Wants to Be a Millionaire*, the most popular game show in television history. He already has a large fan base from his daytime talk show, *Live! With Regis and Kathie Lee*. Thanks to these successes, he now has his own fashion line. And, he has two national bestsellers to his credit. So what could he have to complain about? Well, plenty. Now Regis Philbin, the king of curmudgeonly humor, has written an all-new book of side-splitting rants. Regis provides the inside scoop on his ridiculously difficult life, with cantankerous takes on everything-and everyone-that drives him crazy. In addition, he reveals some of the funnier moments behind the scenes of his television shows, and his takes on travel, sports, and his legions of fans. Whether it's skewering the producers of his morning talk show, or describing the travails of celebrity life today, in *Who Wants to Be Me?* you can be sure that Regis Philbin will tell it like it is.
