

# The Panoramic Seer: Bringing the Prophetic into the Healing Anointing

The Applause of Heaven! Developing your spiritual eye and walking hand in hand with the supernaturally prophetic. Somehow, I was instantly in Heaven; I knew the room I was standing in was directly adjacent to the throne room of the Father, writes author James Maloney. From this exciting experience, shared in the first chapter, to the thrilling conclusion, The Panoramic Seer reveals realms and realities that most Christians don't even know exist! Panorama is the seer's prophetic gifting that releases the miraculous. It is tied into five key elements: inheritance, humility, compassion, righteousness, and faith. These keys and much more are presented to you in a spiritually sensitive way straight from the throne room of God. You will hear the applause of Heaven when you operate as a panoramic seer. The only way to cultivate that kind of relationship with Him is in the secret place. The Panoramic Seer takes you to that special place and offers you the powerful Kingdom secrets that have sustained the move of God from generation to generation.
