

Monkey (Wiggle-Waggles)

This brand-new title in the Wiggle-Waggles board books series features a cheerful Monkey's face on the front cover. It's constructed of layered board sections that create an amusing 3D effect. When kids move Monkey's ears back and forth his mouth moves and he eats some tasty berries. Children can also touch furry patches in some of the illustrations. The funny story is written in verse, with bright, full-color illustrations on every sturdy board page.
