

Iggy the Iguana

Iggy the Iguana, inspired by the authors love of a childhood pet, will touch the hearts of all readers. Kids relate well to the animal characters in this book, as Iggy and his new friends go through their school year together and experience many of the same things kids experience in fourth grade, today. Iggy learns how to adapt to the changes in his life and opens his eyes to realize that change can be pretty good. Each character in this story has a unique and even humorous personality of their own, making, Melissa M. Williams, Iggy the Iguana, a fun book for all types of kids to read.
