

Westly: A Spiders Tale

This is tale of a caterpillar named Westly who is destined to be a Monarch butterfly and the next king of the butterfly kingdom. But sometimes things dont turn out the way we plan. When Westly emerges from his cocoon he is nothing like he expected. As a spider he must rediscover who he is. Adopted by the dirt eaters, Westly is determined to make a difference. He is determined to belong, to be loved, and most importantly, to become who he was born to be.
