

Whats It Like to Be...a Bee? (Riverstream Science Reading, Level 1)

A series told in the first person, these books give a friendly, personal account of what its like to be each of these creepy crawly animals. Detailed and scientifically accurate illustrations work seamlessly together with the text, illustrating what its really like to make honey or spin a web. Sure to inspire lots of pretending. Reading levels have been determined by the Accelerated Reader methodology. The books in this series are appropriate for Reading Level 1 and up.
